SYLLABUS

Please find next all the training materials on **WorldTracer Desktop** as provided by SITA. These documents are at your disposal for consultation.

There are four types of training videos that cover all WorldTracer functionalities:

- WorldTracer Desktop Agent Training
- Presentation of WorldTracer Desktop
- Lessons by Topic (theory)
- Guided Demonstrations (practical examples)

Please view the videos in "WorldTracer Desktop Agent Training".

Review the videos in "Presentation of WorldTracer Desktop" and complete the Quiz (15 questions).

We also recommend to view the **Lessons** and **Guided Demonstrations** at your convenience until you familiarize with the new layout of the application.

You have a **Self Assessment** available so you can check if you know enough about WorldTracer Desktop. It consists of 7 multiple choice questions and 8 practical excercises. Remember to do all your excercises in Training Mode.

Also, find at the bottom the **Transaction equivalences** and **Link** to WorldTracer Desktop.
